

Family Rule Template

Creating a Balanced Digital Lifestyle, Together

1. Our Family Values

Agree on the core values guiding your family's digital habits — responsible use, respect for privacy, and balance with offline life.

2. Our Family Rules

Places where devices are off-limits (meals, bedrooms) and moments they're fully switched off (gatherings, activities).

3. Screen Time & Screen-Free Time

Set age-appropriate daily limits, and schedule regular screen-free hours for the whole family to enjoy together.

4. Online & Offline Balance

Balance digital life with sports, hobbies, reading, creativity, and quality time with family and friends.

5. Privacy & Safety

Cover online privacy, safe sharing, password care, and knowing which trusted adult to turn to for help.

6. Choose & Diversify Media

Explore varied, educational, and creative content — and talk about it together to build critical thinking.

7. Manners Matter

Practice polite language and respect for others' online space, building a positive digital environment.

8. Digital Citizenship

Guide everyone toward responsible tech use — addressing cyberbullying, etiquette, and kind communication.

9. Define the Wiggle Room

Acknowledge reasonable exceptions — like emergencies or essential communication — to the family's rules.

10. Positive Incentives

Celebrate and reward good digital habits — focus on encouragement rather than punishment.
